FACULTY AND ADMINISTRATION

A school is more than just students and administration. The faculty is an integral part of any school, and so it is at Kecoughtan. The administration directs the faculty and student body; the faculty helps, instructs, and leads the students.

Here we see all of those who have helped to make this year a memorable one by teaching, guiding, and encouraging us. To them we owe our respect, our gratitude, and our appreciation.

C. Alton Lindsay
Superintendent of Schools

ADMINISTRATION

The Hampton City School Board serves the community by providing modern school buildings and well-trained faculties.

The School Board members willingly receive suggestions and ideas from all who are vitally interested in promoting the educational assets of the community.

As you will see on the following pages they have done a fine job in combining ideas and efforts to make Kecoughtan High School the great educational institution that it is.

CLASSES

In August, Kecoughtan High School, silent, brand new, empty, and beautiful, did not present any indication of the lively, bustling, animated place it would be in September. When the doors opened in September to engulf 1,100 students, Kecoughtan really came to life.

Hundreds of juniors, and even more sophomores, soon roamed the halls, maps in hand, to register in classes. Their faces reflected wonder at the size of their new home, curiosity about their new teachers, and joy at their luck in being the first classes in Kecoughtan High School.

Now their faces reflect pride in their school, and hope for the years to come. You see all of this as you search these pages for your friends of 1963-64.

ACTIVITIES

Academic work is only one facet of student life at Kecoughtan. In addition to regular classes, students have the opportunity to further their education and develop new interests through the many clubs and organizations.

These extracurricular organizations meet before and after school at times most convenient for members.

At present, there are some thirty clubs and organizations, ranging from A Cappella to Y-teens, and the number is expected to increase next year. Extracurricular activities provide not only benefits for the individual but also service to the school and the community.

All of the organizations of Kecoughtan High School, excluding sports, are presented in this section.

SCA

The Student Cooperative Association is a governing body of students designed to represent the students of Kecoughtan in the affairs of the school and the community. The S.C.A. sponsors school dances and various drives for worthy causes in the community.

Beth Johnson, Karen Rountree, Terry Close, Tandy Brown, Stewart Johnson.

STEERING COMMITTEE

The steering committee organized at the end of summer to prepare a temporary constitution for the school. Virginia Huneycutt, chairman, collected constitutions from various schools in the area, and the committee adopted the best points of each for Kecoughtan's constitution.

Terry Hamrick, Vivian McGehee, Virginia Huneycutt, Johnny Ellis, JoAnn Campbell, Ann McNeil, Gloria Pierce, Terry Close.

BAND AND MAJORETTES

Officers: President-Susan Hurst, Vice President-Bobby Julian, Secretary-Linda Davenport, Treasurer-Christine Sutterer, Representative-Kenneth Besecker, Representative-Malcom Mann.

Although this is the first season for the Kecoughtan Band, there is no doubt in the minds of Kecoughtan students that we have one of the best school bands on the Peninsula. Perhaps the Band's most important project this year has been the drive for uniforms. Several candy sales have been held, and all proceeds from

concerts have gone into the uniform fund. The PTA, the Key Club, and the Band parents have also given assistance in the drive. The band gave three concerts this year, participated in the District III Music Festival, and sent several members to the All State Band.

The majorettes performed during the football season and at the Christmas and Spring concerts. After a summer of practice, they will join the Band in parades and other activities during the marching season.

Y-TEENS

The Y-Teens' busy schedule this year included such diverse activities as a trip to Washington, D. C. for a fellowship service in the National Cathedral, and a potato-chip sale. The club also enjoyed a luau and an awards luncheon, and made Christmas gifts for patients at Eastern State Hospital.

FUTURE TEACHERS

Kecoughtan's C.W. Miller Chapter of the FTA has been chartered by the National Educational Association, and is recognized by the Virginia Education Association. During April, "Teacher Career Month", members had an opportunity to present one day's lesson to students of Francis Asbury Elementary School.

PEP CLUB

The Pep Club was organized to promote school spirit. It has composed cheers for the student body, provided buses for games, decorated goal-posts for football games, made posters for the halls, and served in other ways for the school.

YOUTH FOR CHRIST CLUB

President of the Youth for Christ Club this year is Debbie Martin. Miss Dudley is the club sponsor.

The goal of the Youth for Christ Club is to increase the Christian faith of its members and aid them in becoming worthwhile individuals. Y.F.C. clubs of the peninsula meet each Saturday night for Christian fellowship and Bible study. Kecoughtan's Y.F.C. club is the proud owner of the Bible quiz trophy this year.

DEBATE TEAM

Members of the team this year are Bob Woerner and Carl Elges, affirmative, and Elise Kollman and Metta McClurkin, negative.

The primary purpose of debating is self-development of the participants. Debate provides the opportunity for an intellectual growth that is seldom found on the high school level, in the area of oral communication. In addition, debating thoroughly informs the participants in the field of the debate proposition. The team finished fourth in Section B of group 1A competition this year.

AUDIO-VISUAL STAFF

The Audio-visual staff organized in September, under the direction of Mrs. Ethel P. Brockley, sponsor, with Jack Barbour as president and Curtis Adams as vice-president. The members of the staff assisted faculty members in use of audio-visual equipment. During the year, the staff was given a tour of WGH radio station, and at Christmas they played carols in the cafeteria during lunch period.

DRAMA CLUB

True to its purpose of producing plays, the Drama Club has produced four this year. "Our Hearts Were Young and Gay" was the production for May. The club attended the district one-act play festival and received a rating of "good" for the play presented there.

LIBRARY CLUB

The Library Club was organized primarily to develop interest in the library. Projects of the club this year included contributions to the band for uniforms, reading to the children of Francis Asbury School, and purchasing several books for the library. The officers were Judy Carhart, president; Mettah McClurkin, secretary; Jack Barbour, vice-president; Anne Alford, treasurer; Susan Carmel, publicity chairman.

SPORTS

Although this year was the first in operation of Kecoughtan, the sports' world of this school was an active world indeed. The football team began work while most of us were hazily contemplating a new school year in a new school. In succession, Kecoughtan entered teams in all sports, and even added something new this year. The "new" was the Girl's Athletic Association, formed to provide opportunities for inter-school competition in girls' sports.

The lack of a senior class made us eligible for competition only in class A-2 this year. Our achievements in the world of sports were satisfactory, but we expect to do better next year.

G.A.A.

Members of the first G.A.A. at Kecoughtan plan to enlarge the group and to encourage greater participation in girls' sports next year.

The fall of 1963 saw the members of the girls' athletic department encouraging the organization of the Girls' Athletic Association. This group is to develop intramural sports competition in field hockey, basketball, and tennis. The students who have been members of G.A.A. this year have enjoyed the projects and work of the group.

Officers for the year 1963-64 have been:

President-Martha Coenen; Vice-President-Virginia Wray; Secretary-Brenda Coughenour; Point Recorder-Sheila Whitehead, and Point Manager-Sheila LaBounty.
