The mountains,  
Fortresses withholding the strength of winds,  
Clothed in splendor and ageless beauty,  
Crown of all the land,  
Nature's most perfect jewel.

The trees,  
Bedecked in Winter's sparkling gems,  
Or robed in Summer's gown,  
The messengers of the goddess Grace,  
The lyre of all the winds.

The flowers,  
Heralds of the Spring,  
The reason for the Summer,  
Exquisite dewdrops sent from Heaven,  
Fragrance personified.

The stars,  
Pinpoints in the night,  
Proof of other worlds,  
Eyes of angels seen from Earth,  
Songs ascending to our God.

The seas, the storms, the waterfalls,  
And all the magic of the world,  
The dawn of morning and that of love,  
The natural beauties,  
The gifts of God.

Best of Luck

## *Dedication . . .*

MRS. GEORGE HIMMELMAN

We wish to dedicate the 1956 Oriole to Mrs. George Himmelman whose efficiency, tireless devotion to all phases of our school life, and exceptional ability has added greatly to our school life. We have ever found her to be generous with her time, firm in the determination that the job must be done right, and willing to help all who need her services.

We are grateful to her for the contributions she has made to our school.

# ADMINISTRATION . . .

Mr. James Fowler, Mr. William Garland and Mrs. George Himmelman.

We seldom realize the grave responsibilities and problems that confront our administrative staff.

For ten years our principal, Mr. Wm. R. Garland, has successfully met the challenges of our school and community by constantly expanding the educational opportunities by adequately informing the public, and faithfully executing the authority vested in him by the school board.

This year we have been fortunate in having a most understanding assistant principal, Mr. James Fowler. He has been ready and willing to help us with our problems at all times.

Mrs. Wilma Himmelman, our very efficient secretary, has faithfully and diligently performed her duties this year as in former years.

To these three who so capably and willingly lead our school, we wish to say a very grateful, "Thank you."

# CLASSES . . .

## SENIOR CLASS OFFICERS

Officers of the class are: Jack Tolley, president; Tex Boggs, vice president; Gaye Quesenberry, secretary; and Nathan Wilson, treasurer.

As June 4, 1956, approaches, we realize that it has been for eleven years of our lives that we have studied, played, and endeavored to reach our goal—graduation. Many events have crowned our last year at P.H.S.

For the first time, the class was invited by the University of Virginia to attend the football game between George Washington and the University of Virginia. The trip was enjoyed by many of the Seniors.

We will cherish the memories of many activities: winning the annual high school stunt day, athletics, Youth Day in February, the wonderful trip to Washington in March, Senior Play in April, and May Day.

Before any of these activities could become dim in our memory, we were attending the Senior banquet, Prom, and taking part in that last Senior week-end. Our constant hope and wish will be that Pulaski High School has been enriched at least a little by some of our contributions, but above all, may the students who follow after us always uphold our love and devotion for our school.

We are greatly indebted to our sponsor, Miss Mayme K. McCoy. She has been both patient and understanding with all our problems. We are also grateful to Mrs. Jordon, Mr. Davis, Mrs. Totten, Mrs. Sullins, Miss Lockhart and Mr. Edward Rockwell.

# JUNIORS . .

Class Officers: Betty Heldreth, president; Ray Pagans, vice president; and John Darernheim, secretary-treasurer.

We, the Juniors, were capable of doing things even though we were a small class. The 1956 Junior Class was the smallest Pulaski High School has ever had due to the fact that the eighth grade was admitted at the beginning of their freshman year.

Our big events this year were receiving our class rings, the Junior-Senior Prom, and participating in the school play.

We appreciate very much the help of our sponsor, Mrs. Robin Hunt.

# SOPHOMORES . . .

Officers are: David Altizer, president; Linda Roop, vice president; Jimmy Poole, secretary; Larry Morris, treasurer. Other officers were: Lynda Creger, reporter; and Scotty Roop, chaplain.

After pioneering in the eighth grade program and finishing our freshman year, we became sophomores. We are looking forward to our junior and senior years during which we will be upperclassmen with many added responsibilities.

We have had a successful year and a joyous one, thanks to our very co-operative sponsors with Miss Barnett as chairman. In addition, they are: Mrs. Baum, Mrs. Garland, Mrs. Kegley, Miss Hulton, and Mr. White.

## 8<sup>th</sup> GRADE . . .

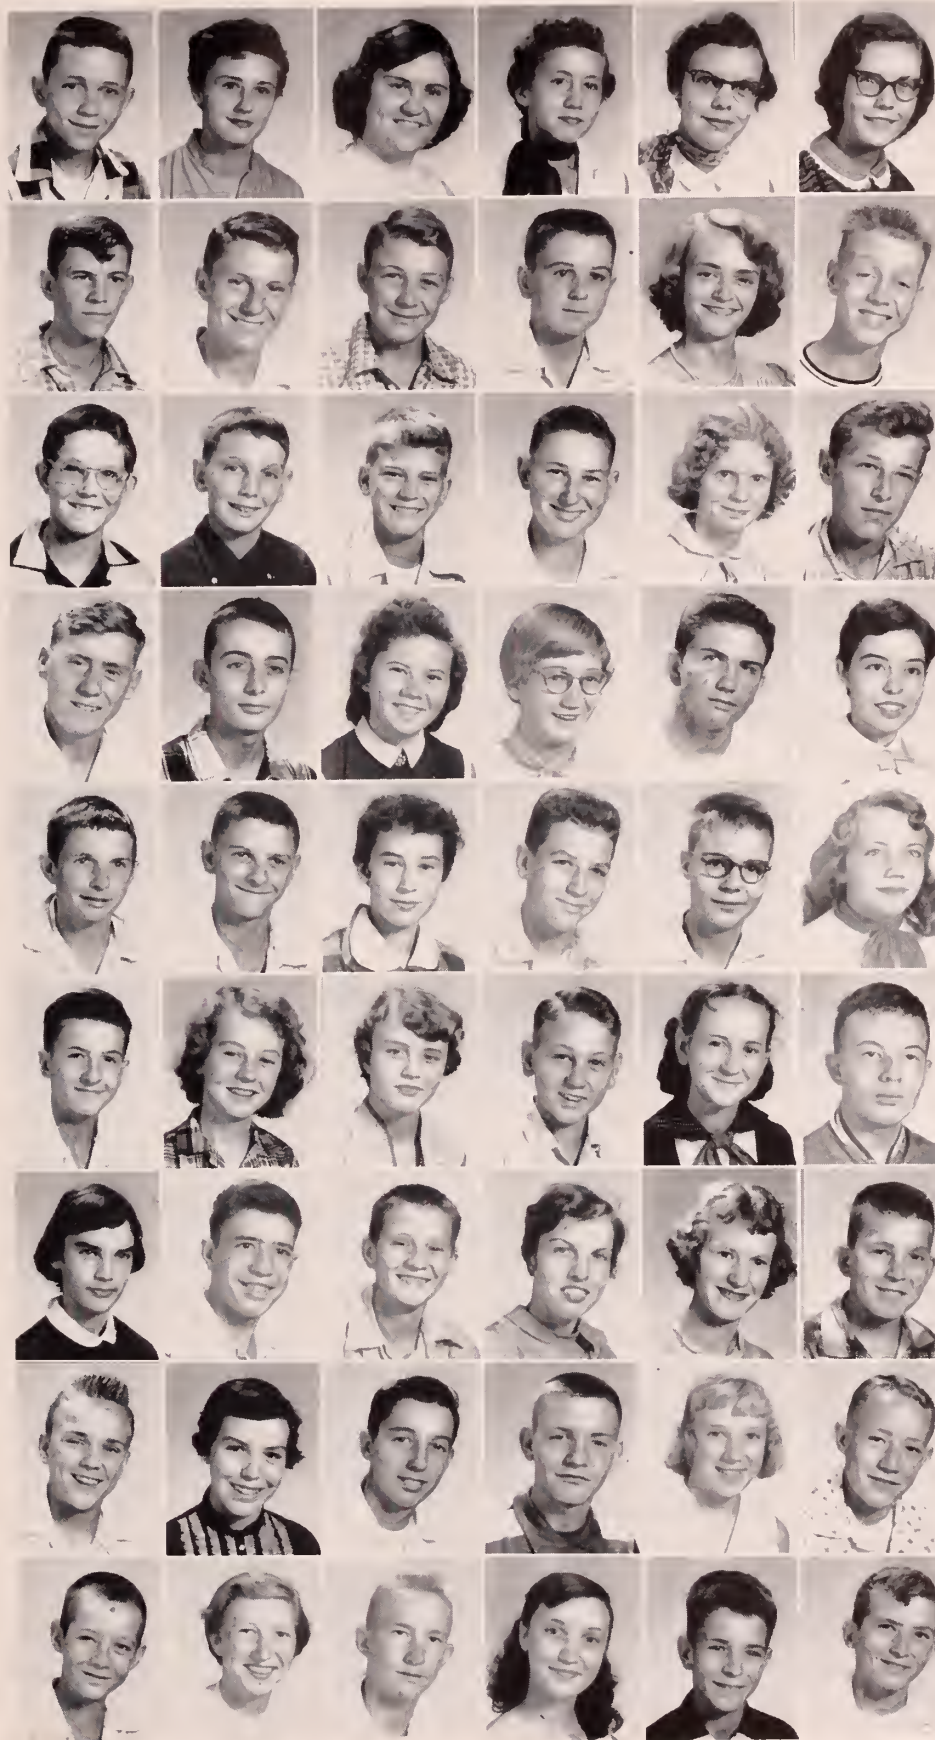

The class officers are: Jo Ann Tolley, president; Jolene Grantham, vice president; Wallace Dalton, secretary; Bonnie Hubble, treasurer.

The first day of school last fall saw a rather bewildered group of eighth grade students report to our high school, but they were anxious and determined to learn our routine and soon found their places here. They have been active in several school activities this year such as the preparation of Christmas baskets and the March of Dimes campaign. With Mrs. Lemons as their sponsor and Mrs. Blankenship, their guidance director, they have met twice a month with a variety of programs being presented.

The total number of eighth grade students was three hundred thirty-eight, divided into eleven homerooms. They were guided by their homeroom teachers, Mrs. Bird, Mrs. Wall, Mrs. Love, Miss Dalton, Miss Frye, Miss Hobby, Mrs. Lemons, Mr. Long, Miss Painter, Miss Robinson, and Mrs. Blankenship. Mrs. Love and Mrs. Wall replaced Mrs. Dunham and Mrs. Dueno second semester.

This year has been a very successful one for the eighth grade and they are looking forward to being Freshmen next year.

# SPORTS . . .

## COACHING STAFF

Starting at the left, our coaches are:

Mr. John White, assistant head football coach and JV basketball coach. Mr. Eugene Hoback, our basketball and JV football coach. Mr. Edward Rockwell, head football and track coach, came here this year from Bedford High School. Mr. Zed Long is the baseball and eighth grade football coach. Mrs. Reese Goldsmith has completed her fourth year as coach of the girls basketball team.

## MANAGERS

## BOYS' VARSITY BASKETBALL

First row: Dean Newman, captain, Bill Waller, Tex Boggs, Laneau Pippen, Curtiss Hollins.

Second row: Cecil Ward, Ralph Burchett, Tracy Whitaker, Jack Tolley.

Third row: Jackie Hughes, Chester Rogers.

Pulaski's cagers had a pretty rugged start this year. However, the team improved rapidly as the season wore on and finished with a bang.

A fine team spirit was led by captain Dean Newman, who helped Coach Hoback weld the Orioles into a hard-running outfit.

## FOOTBALL

The season of 1955 was the best for the Orioles in some years. Although inexperienced and small, they came through with a 4-4-2 record.

Under the combined leadership of Mr. Rockwell and Mr. White the team won considerably more games than pre-season ratings gave them a chance for.

Co-captains Fred Hall and Bill Waller led the Orioles with an unfailing spirit, and confidence in the ability of the boys.

Although they did not win all their games, the team members agree that this season has brought a greater understanding and a deeper appreciation of the power of teamwork.

## Opportunities . . .

. . . in the industrial world today are unlimited. Automation, atomic energy, a rapidly increasing population — all point to a period of unprecedented growth in the industrial life of the nation.

Like many others, the textile industry is just scratching the surface of its own latter-day revolution, which began less than a quarter century ago with the introduction of man-made fibers.

Burlington Industries pioneered in production of fabrics from man-made fibers, and is today the world's leading textile concern.

For young men and women thinking in terms of a career, the textile industry today offers opportunity "without bounds" in manufacturing, merchandising, research, development and design and many other related fields.

As graduation nears, let's take a serious look at the past. We see that education has been largely responsible for the progress of our nation.

Why? Education is PROGRESS.

Today — more than ever before — industry, business and labor, all, know the true values of a good educational system. EDUCATION continues to stand as a true symbol of PROGRESS.
