Preface...

School is many things to each of us. If we had had the time to ask the students at Pulaski High, we would no doubt have gotten a different answer from each. Rather than do that we have attempted in the '57 Oriole to show you many different phases of School life at Pulaski High. We realize that we have omitted many events because no book could include all of the things a thousand students have done in nine months. We do sincerely hope that this 1957 Oriole will be a happy reminder of this school year.

## Dedication

In picturing the activities of our school we wish to recognize ane who has taken active part in all phases of school life at P. H. S. Our school calendar might well be her calendar, for seldom does she miss a school event. She leads a busy life as teacher of Mathematics, spansor of the Student Cauncil, and the Beta Club. Her duties are endless, but then so are her energies and interest in our school. With this already busy life she has not neglected her professional arganization. She has served in many capacities. Last summer she attended the National Education Association Convention at Denver, Calarada. In April she was installed as president of the Pulaski Caunty Education Association.

It is also important to add that she contributes much to her community as a layal and faithful church worker.

The Staff praudly dedicates the 1957 ORIOLE ta Miss Emma Gallimare in recagnitian of her unselfish devation to Pulaski High School.

# Alma Mater

Dear ole P. H. S. proudly we sing
Of the glories thy name doth bring.
Hallowed are thy walls,
Widespread thy fame.
To thee we lift our voice,
Thy works proclaim.

Hail Alma Mater, we sing to thee,
Thy name within our hearts
Will treasured be.
As the days go by our thoughts will turn,
And give thee the praise for all,
We've learned.

Administration

# Our Principal

In the eleven years that Mr. William R. Garland has served as our principal, he has led our school through the rapid increase in enrollment, the transition from the eleven-year to the twelve-year system, and the great change in the physical environment. In addition to these major challenges, he has inspired us to keep pace with the great strides in curriculum building, athletic competition, and student activities. We express our deepest gratitude to Mr. Garland for the great contribution he has made to our school and community through his years of leadership at Pulaski High School.

### Our Assistant Principal

#### JAMES FOWLER

As a school grows in its many phases, it must increase in administrative personnel. Mr. James S. Fowler is serving his second term as assistant principal of Pulaski High School. He is a great asset to our school and has faithfully executed his duties in an efficient and understanding manner. Our sincere thanks go to Mr. Fowler for his part in making our school life successful.

### Our Secretaries

A school always takes pride in the fine achievements of its graduates. Our two attractive and efficient secretaries are 1956 graduates of Pulaski High School. Miss Genevievè

Akers and Miss Mary McDaniel have served us in a most amiable way, and we are justly proud of "our graduates in action" in the offices of Pulaski High School.

SECRETARIES: Genieveve Akers, Mary McDaniel.

### The Senior Class

We entered P. H. S. in September with the joyous realization that we were seniors at last. We proved to ourselves and to others that strength can lie in small numbers. We sold over 500 spectators badges bearing our school colors and name to be worn to athletic events; we tied for first prize for our float entered in the Homecoming Parade and we won second prize in the school Stunt Day, and also participated in the School Play.

The smallness of our class has drawn us into a closer bond of friendship and a keener sense of responsibility to our class and to our school.

Our closses, teachers, clubs, sports, parties, ond friends are all segments of our happy days ot P. H. S. These among many others have aided us in preparing for our future lives and in instilling in our hearts memories that we will always hold deor.

In leoving P. H. S. we give our thonks to oll of our teachers who so ably guided us in our classes and in our extra curricular octivities and to Mr. Garland our principal who has been to us both friend ond administrator during our days as students.

We express our deepest appreciation to our sponsor, Miss McCoy.

The Freshman class officers are: C. E. Bayd, president; Eleanor Thompson, vice-president; Larna Rogers, secretary; and Nicky Saunders, treasurer.

The Freshman class has done its share in the school activities of the year. We were the first place winners in Stunt Day, with our "blackface revival meetin'." The Freshman class also headed the drive for the janitors' and cooks' Christmas gifts. We had a successful year, and a joyous one, thanks to our very co-operative sponsars, Miss Ellen Palmer and Mr. Charles Walker. We all are looking forward to a good Sophomore class next year.

# Our Cafeteria Staff

They are: Velma Rayal, Octavia Clark, Lillian Halliday, Margaret Jarrells, Minnie Ward.

An important part of every day at Pulaski High School is our lunch period, and the most discussed item of that period is our meal in the cafeteria. We are most fortunate in having a fine cafeteria staff. You know the saying: "The Show must go on!" Our workers in the cafeteria operate on the theory that "The Meal must be served." Never has there been a day that we were without a well planned and delicious meal. Our sincere appreciation goes to these efficient and thoughtful ladies!

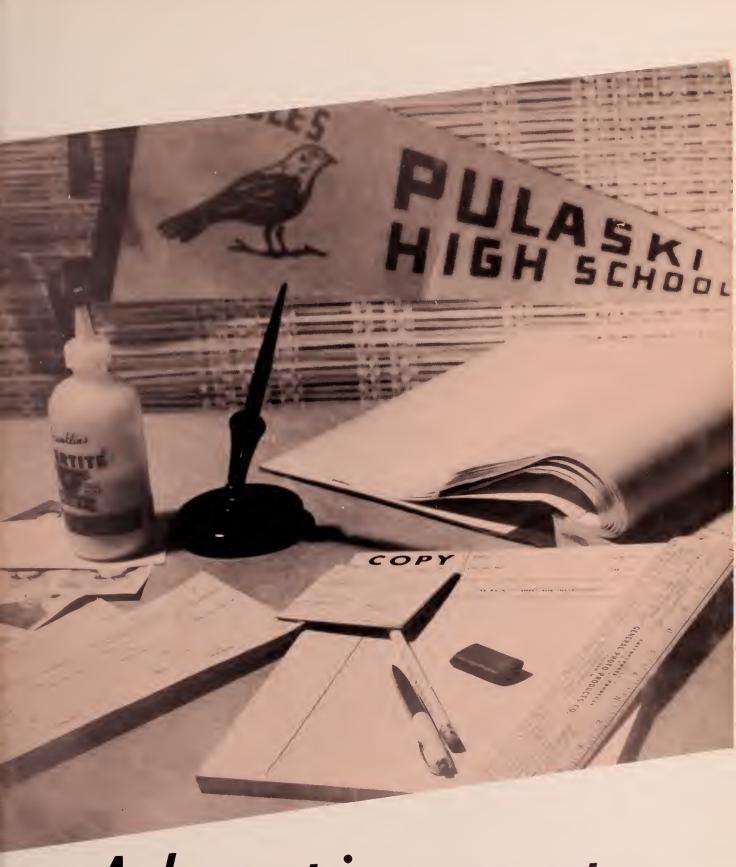

# Our Custodians

They are: Lean Clark, Leta Rabinson, Bernice Williamson, David Hale.

Our school is our home for a good part of our lives. Just as a home requires good housekeeping so does our school building and grounds. Can you imagine how much work it takes to keep a home in order that has more than 1000 people living in it? That's the gigantic job of our custodians. Day by day they carry out their tasks in a most cooperative and commendable way. To you, "the keepers of our great big house," we say, "Thank you."
