## Guntersville Lake Facts

Welcome to Guntersville Lake, where you'll find plenty of bass just waiting to jump into your boat. Key to Guntersville's bass population is the heavy growth of Eurasian milfoil, a watery weed which attracts baitfish, which attract bream and other predators. With the bream come largemouth bass.

## Fishing Lake Guntersville

The best time to fish for bass and crappie in the spring is during the months of April and May. October and November are best in the fall. During hot summer months, fishing continues around the weed beds.

## For More Information

You may contact the following agencies for more detailed information:

- Marshall County Tourism Commission  
Guntersville, AL (205) 582-7015
