

LAKE MONTICELLO

CONTOUR MAP FOR FISHING, BOATING AND RECREATION

'TOPO' SYMBOLS KEY

To determine the depth, subtract the number found on contour lines in the lake from the full pool elevation (425'). Lake Monticello may fluctuate from 418' to 425' daily. Parr Reservoir may fluctuate as much as 10' daily.

PARR HYDROELECTRIC PROJECT

Parr Hydroelectric Project consists of three areas: (1) Lake Monticello, (2) Monticello Sub-impoundment Area (located north of Lake Monticello and divided from it by County Road 99), and (3) Parr Reservoir.

Rules and Regulations for Monticello Sub-impoundment Area:

1. Fishing permitted Wednesday and Saturday only from sunrise to sunset.
2. No minnows allowed.
3. No gasoline powered engines allowed.
4. For limits and other current regulations, contact the S.C. Wildlife & Marine Resources Dept.
5. Swimming and picnic facilities are available, subject to posted regulations. Lake Monticello, the Sub Impoundment Area and Parr Reservoir are Waterfowl Management Areas. Hunting and fishing regulations are available from: S.C. Wildlife & Marine Resources Dept. P.O. Box 167 Columbia, S.C. 29202 (803) 734-3888

12 RECREATION AREA/MARINA

This map is intended primarily for general purpose use and to show the configuration of the lake. It is not intended to be a complete representation of all marinas, public use areas or natural and man made obstacles. Navigational aids are shown in approximate locations for reference only. Depths and/or contour lines (when shown) are based on pre-impoundment survey data and are noted at normal pool elevation, but are subject to change when the lake level fluctuates. Any information shown relating to access areas (public, private, or marina) should be used as a guide only to possible services provided, and is neither an endorsement for, or endorsement of, the establishment or park. Kingfisher Maps, Inc. expressly disclaims all liability for damages resulting from total reliance on this map or the representa-
