**Lake Wylie Facts**  
Lake Wylie is the oldest lake on the Catawba River. The Catawba Dam was constructed in 1904, and rebuilt in 1924. Total surface area of the lake is 12,455 acres. The lake has 325 miles of shoreline and the full pond elevation is 589.4 feet above mean sea level.

**Emergency Assistance**  
Channel 16, monitored by the Tega Cay Police Department, is available for reporting boating emergencies such as accidents, fires, groundings, fuel spills, etc. Be prepared to give location, problem definition, service required, and other relevant information. Only partial lake coverage is available. For additional information call the Lake Wylie Marine Commission at (704) 372-2418.
