Base topographic information compiled, edited, and published by the United States Geological Survey. All other information compiled and researched by Kingfisher Maps, Inc.
This map is intended primarily for general purpose use and to show the configuration of the lake. Although a great deal of information is presented, this map is not intended to be a complete representation of all marina, public use areas, or natural and man-made obstacles. Navigational aids are shown in appropriate locations for reference only. Depths and/or contour lines (when shown) are based on pre-representation survey data, but are subject to change when the lake level fluctuates. Any information shown relating to access or public use areas (public, private, or otherwise) should be used only as a guide to possible use; no warranty is made or endorsement of the establishment. This map is not to be used as a substitute for a nautical chart. Kingfisher Maps, Inc. and its representatives assume no liability for damages resulting from total reliance on this map or the representations herein.
