Reservoir Operating Levels	
Top of Gates	1975
Full Pool	1959
Minimum Pool	1915
January 1 Flood Control Level	1940

Base topographic information mapped, edited, and published by the United States Geological Survey or the Tennessee Valley Authority. All other information compiled and researched by Kingfisher Maps, Inc.

This map is intended primarily for general purpose use and to show the configuration of the lake. Although a great deal of information is presented, this map is not intended to be a complete representation of all features, public use areas, or material and man-made structures. Navigational aids are shown in approximate locations for reference only. Depths and contours are based on the latest available data. Any information shown on this map is not to be used as a basis for any legal action or as a guide for any possible services provided, and is neither an advertisement for nor an endorsement of the establishment. This map is not for use in navigation. Kingfisher Maps, Inc. and all sponsors of this map expressly disclaim liability for damages resulting from total reliance on this map or the representations herein.

Navigation Daymarks
Daymarks are used to mark the navigation channel on Watauga Reservoir. The daymarks conform to the standard lateral system for marking channels with those located on the left descending bank colored red and those on the right descending bank colored green. All daymarks have reflectorized material and show the river mile.
