This map is intended primarily for general purpose use and to show the configuration of the lake. It is not intended to be a complete representation of all marinas, public use areas, or natural or man-made obstacles. Navigational aids are shown in approximate locations for reference only. Depths and/or contour lines (when shown) are based upon pre-impoundment survey data and are noted at normal pool elevation, but are subject to change as the lake level fluctuates. Any information shown relating to access areas (public, private, or marina) should be used only as a guide to possible services provided, and is neither an advertisement for, nor an endorsement of, the facility. Kingfisher Maps, Inc. expressly disclaims all liability for damages resulting from total reliance on this map and the representations hereon.
