

CAUTION
CHANGES IN BUOYAGE
Mariners are advised that authorized aids to navigation are being changed to conform to marine standards of the International Association of Lighthouse Authorities Buoyage System. Significant changes are shown on this chart by green, black and white symbols. For details see U.S. Coast Guard Light List.

CAUTION
Improved channels shown by broken lines are subject to shoaling, particularly at the edges.

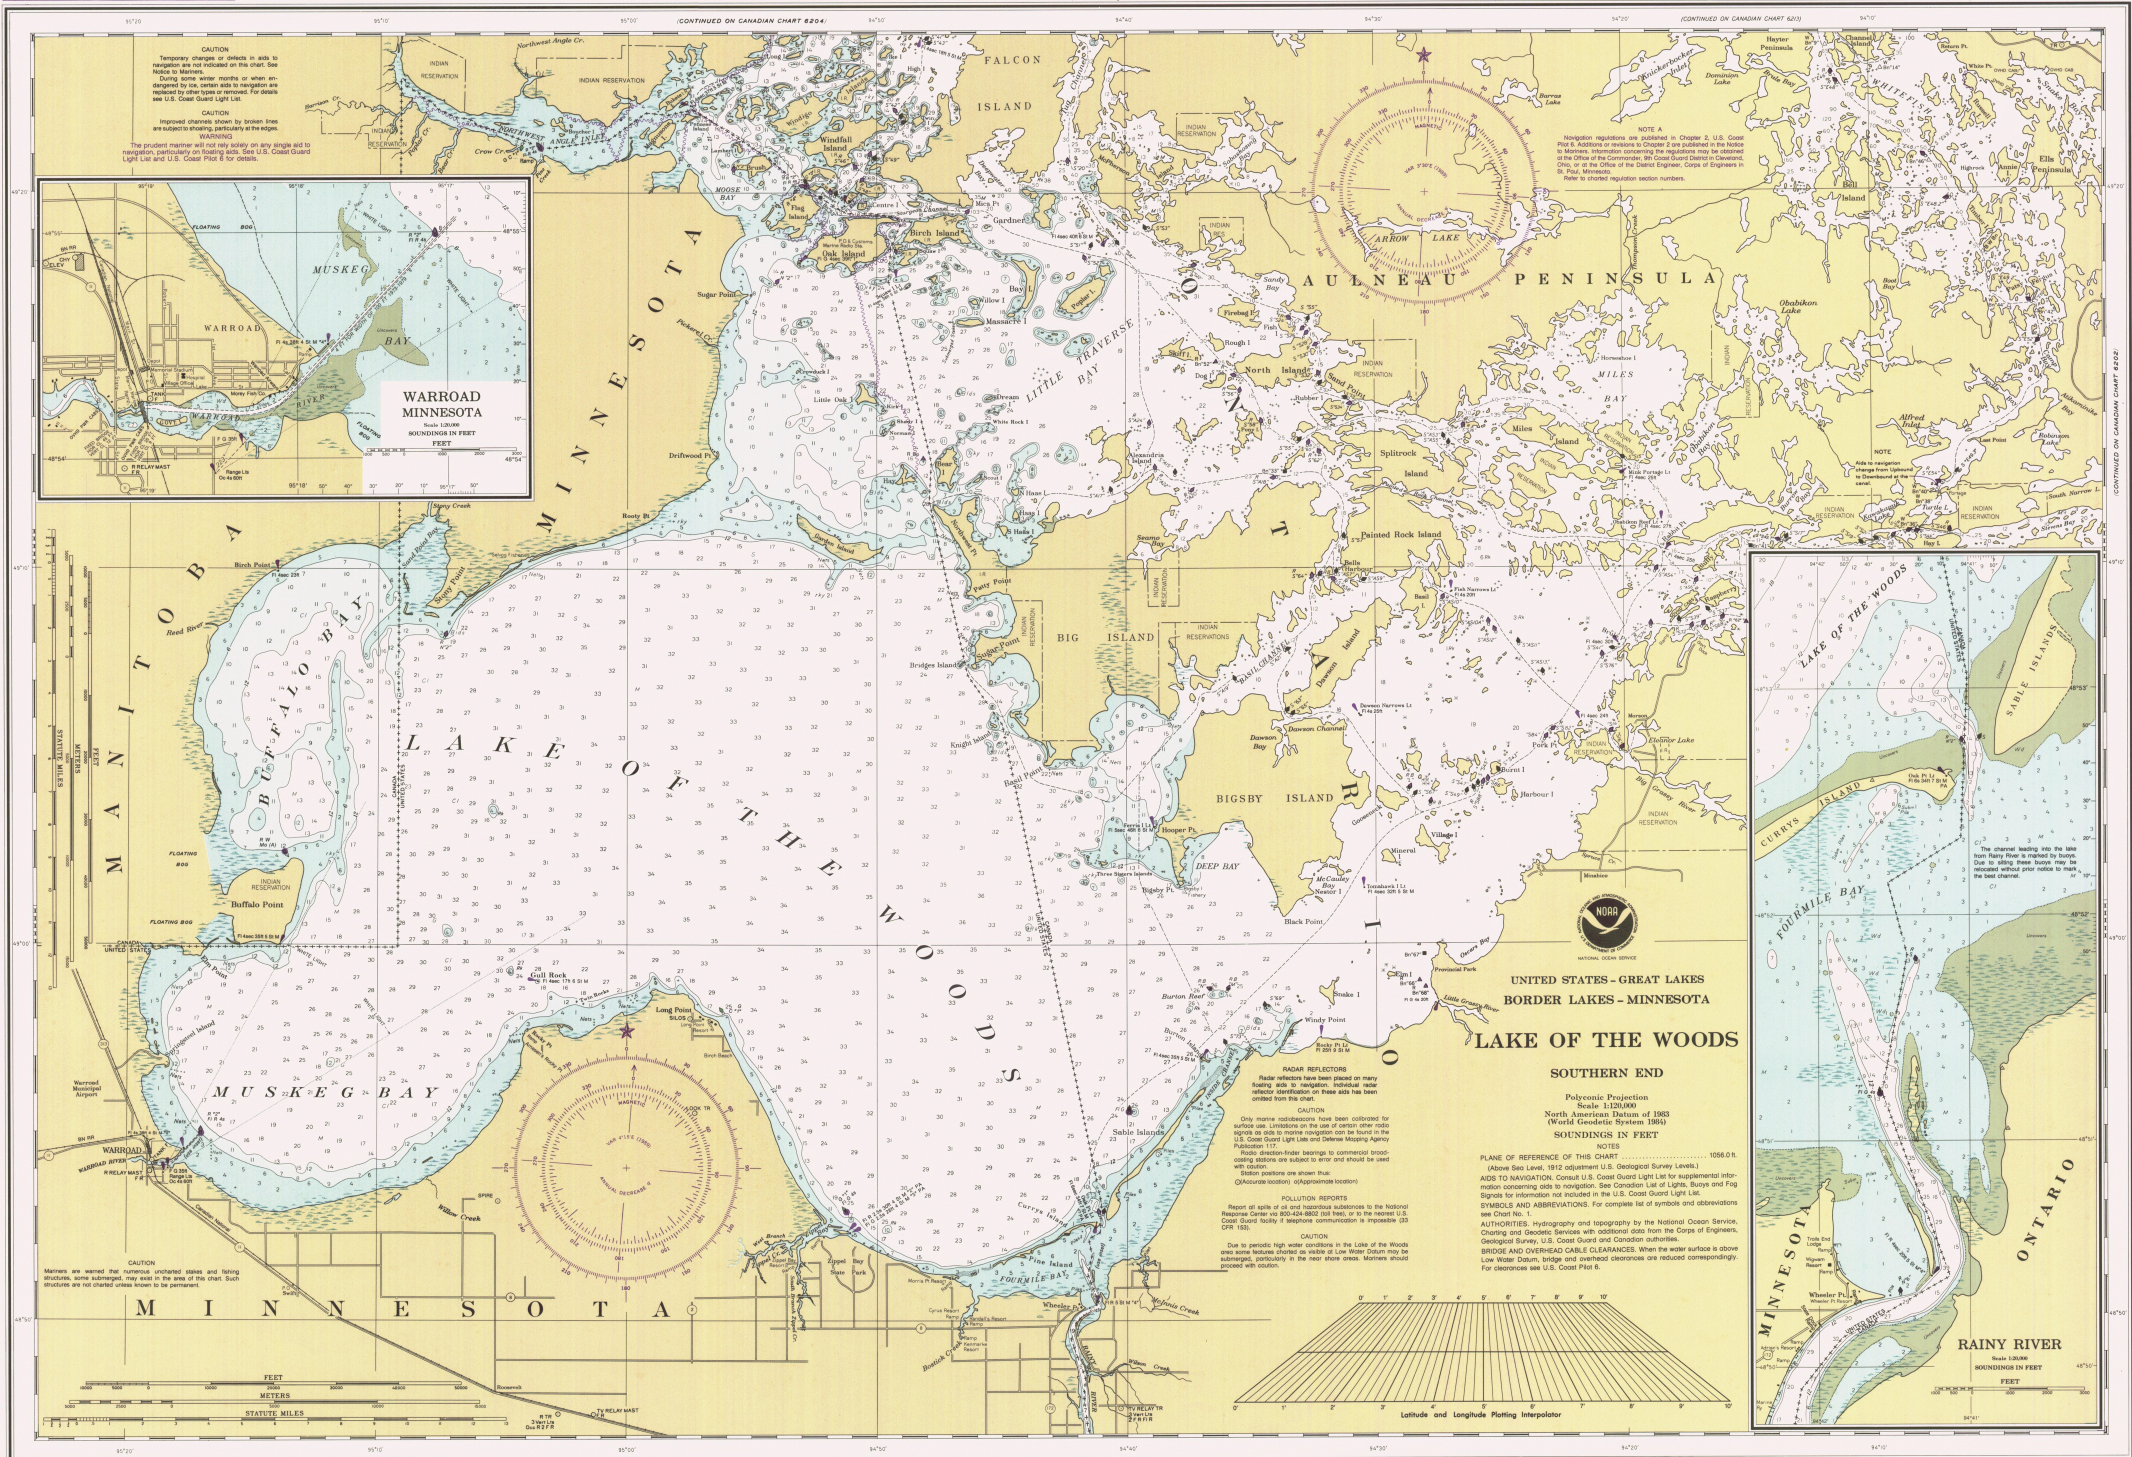

CAUTION
The prudent mariner will not rely solely on any single aid to navigation, particularly on sounding, for determining position. See U.S. Coast Guard Light List and U.S. Coast Pilot 6 for details.
